Sales Tax Strikes Here April 1

John Law Reinstates A Gendarme

TWO-YEAR court battle for reinstatement resulted in victory for "fired" Daly City policeman David Johnstone (seated left), happily pictured with attorney John J. Fahey, wife Florence, and son David. Dismissed in May of 1955 for "alleged association with a local gambler," Johnstone, of 184 San Diego avenue, was cleared by court edict. The city soon will be served a writ of mandate ordering the officer restored to the force. He started duty as a cop here in 1942.

Extra Levy Is 'Legal' This Week

Daly City's much-fought sales tax ordinance goes into effect this Friday, but merchants and citizens won't start paying the extra-penny levy until Tuesday, April 1.

The council session Monday night was unexpectedly quiet on the controversial levy since anti-tax petitioners failed to show.

The petitioners, however, spurred by the local Taxpayers' Association, headed by Paul Green, plan to file their protest with the city clerk this Friday morning. These petitions ask the council to either repeal the tax or submit the issue to vote of the people.

City Manager Howard Stites said first sales tax returns from merchants will be due on June 30, covering the period April 1 through June. Thereafter, collections will be quarterly.

As a convenience to merchants, Stites said the city would mail to those who have state sales tax permits applications for city sales tax permits. These must be returned immediately for city records and tax collection expediency.

Collections Local

Sales tax collections will be made strictly by the city and will involve no handouts to the county. Should the county adopt a county-wide sales tax, five percent of Daly City sales tax proceeds revert to the county.

The council overrode heavy audience protest February 10 and authorized sales tax for the city by a 3-2 vote. Councilmen Micheal DeBernardi and Sanford Vickers were against the extra levy, seconded by a chorus of representative civic and business leaders and homeowners.

Under the council edict for distribution of sales tax revenues, 50 percent must go into the capital outlay fund for civic improvement, the remainder assertedly to help reduce property taxes here.

Daly City on April 1 will become the fourth of San Mateo county's 15 cities enforcing sales tax. Menlo Park, San Carlos and Belmont have the extra penny levy to date.

Persons interested in signing sales tax petitions are advised by Green to report to or call: Markovich office, 6454 Mission street, PL 5-2262; Westlake Realtors, 10 Park Plaza, PL 5-9400, or Gift Shop, 325 South Mayfair, PL 5-0622.

Scavengers Ask 25-Cent Raise Or 'We're Broke'

Losing money and "on the verge of going broke," Daly City Scavenger company Monday night pleaded with a sympathetic city council for an immediate 25-cent hike in garbage rates.

Four councilman and City Manager Howard Stites agreed on the "desperate plight" of the city-servicing firm, but continued their decision to next week's study session for "more definition of the facts."

Al Sereni, president of the seven-partner company, and his attorney, Conrad Reisch, anxious to make the plea to "avoid bankruptcy" but fearful of political repercussions, could wait no longer.

Having aired their position to the council informally the past few weeks, the scavenger officials, as requested, Monday presented the "basis" for the rate request, prepared on costs of operating the new fill-and-cover dump at Mussel Rock.

Starting with the beginning of dump operations at Mussel Rock last November and projecting expenses through this November, the Scavenger figures show the firm will lose $41,000 for the period.

Reisch, handing certified documents to the council, said that unless the company gets an okay on rate hikes "it could go out of business in 30 days, or maybe 120 days."

Sereni's estimated one-year costs to operate the dump through this November amount to $183,333.31. His expected returns, however, will be only $142,110.16, a "ruinous deficit," he said.

The scavenger president said if the council approves raising Daly City residential rates from 90 cents to $1.15 he will be able to "just break even." He also submitted charts showing that all other Peninsula cities within the past two years have granted scavengers hikes, "well over the 90 cents charged here."

Sereni added that Broadmoor-Colma residential rates would have to be hiked from $1.05 to $1.25, and that DC and Colma commercial rates must be raised by 20 per cent—"if we are to stay in business."

The local scavengers serve 9000 DC residents, 1400 in the Broadmoor-Colma area, and merchants in DC and Colma.

Last raise granted the scavengers came in 1955, from 65 cents to 90 for Daly City pick-ups. Whereas the city got 7 cents from the total 65 cents then for making the collections, under the present rate the city gets 10 cents from each 90

Freeway Fight Sped By Council

The council Monday night oiled its weapons for fighting the freeways by calling for a step-by-step, solid and factual protest to the State Division of Highways.

City Manager Howard Stites and councilmen (Micheal DeBernardi was absent) reported that the city freeway committee, headed by Francis Pacelli, will convene as soon as all invited members can appear in a group, this week or next.

The council is awaiting returns from the Hahn and Wise planning firm survey on city streets to supplement the city committee recommendations against the state proposed route. Pacelli also has met with north county mayors and will be supported by the North County Council of Cities in studying the freeway predicament.

V. W. Booker, assistant state highway engineer, wrote the council this week that he had received Daly City's protest resolutions against routes here, and is willing to meet with the council and city committee to explain the proposals. Booker reminded that freeways in Daly City are in the "study stage" as "merely proposals."

Stites said results of the Hahn and Wise "origination and destination" survey, polling some 5000 residents, should be tabulated before the end of March.

"The firm's recommendations will definitely help us in our position against freeways," the city manager told the council.

The consultants are chartering a comprehensive study of city streets in long-range master planning. They have been hired on a two-year, $16,000 contract to map various city projections.

Meanwhile, Westlake Improvement Association, under anti-freeway chairman Bill Silver, is pushing its "immediate protest" on the proposed Alemany extension, from Junipero Serra to Skyline.

COUNCIL HEARS ONE BIG BLAST ON 'WEED ACT'

Public hearing Monday night on the council-enforced state weed and rubbish abatement act drew only one vociferous protest—that of realtor-builder Rico Lagomarsino.

Lagomarsino said the council's lot cleanup policy "doesn't make sense," and "we have a fence around our property and the city is trespassing."

He urged the council drop the ordinance, challenging the fact that weeds in open lots constitute a fire hazard.

Manager Howard Stites said the city engineer and fire chief would go over Lagomarsino's properties for a double-check. But the council stood firm in the enforcement.

Notices have been posted throughout the city urging owners to clean up their lots. If the city has to do the job, the homeowner is tagged with a $10 fee.

In other main business Monday, the council:

North End Demos Invite Candidates To March 19 Meet

Eleven city council candidates have been invited to speak at the next regular meeting of the North End Democratic Club on Wednesday night, March 19, at Westlake school. Program begins at 8 o'clock.

10-MPH SLOWDOWN

State Slices Speed Limit For Skyline

Establishment of a 45-miles-per-hour speed limit on a section of Skyline boulevard in Daly City was announced today by the State Department of Public Works.

The new zone extends from a tenth of a mile north of Alemany boulevard to a fifth of a mile south of Westmoor avenue.

State Highway Engineer G. T. McCoy approved the reduction in speed limit from 55 mph upon completion of a Daly City instigated engineering and traffic study by the Division of Highways which showed that the lowered speed limit would be more appropriate to traffic conditions.

The new zoning will become effective with the posting of signs, probably within a week.

BROWN SCHOOL LOAN FINALLY OK'D BY STATE

Allocations board in Sacramento last week granted Daly City school officials a $140,135 state loan to purchase the M. Pauline Brown elementary site bordering St. Francis Heights subdivision.

The state refused to approve the expected total loan of about $267,000, which would have given the district money for grading and street expenses for the school.

Supt. H. Z. Weibel said the $127,000 estimated by the district to complete grading and pay its share of the streets (other half coming from sub-

Bond-Loan Election

SCHOOLS NEED 'YES' TUESDAY

Notices of polling places for next Tuesday's school bond and loan election in Jefferson Elementary District should reach voters this week, according to Mrs. J. D. White, chairman of the Citizens Committee for Needed Schools.

The polls will be open March 18 from 7 a.m. to 7 p.m.

The election is being called to ask authorization for the sale of $1,300,000 in local bonds and a $7 million state loan.

The money sought can be used only for school construction and will be granted by the state only after its approval of specific needed buildings.

Would Roadblock

"Failure to pass the measures Tuesday will halt projected building plans and will not reduce taxes," warns Mrs. White.

Eight new elementary schools, the addition to Olympia school, and a new intermediate (seventh-eighth grades) school are known to be needed—by action now—in order for the district to house 10,000 elementary students expected by 1962.

Present elementary enrollment is 5850, with 998 children, first through sixth grades, on double sessions. The district's 126 regular classrooms and 18 "converted" rooms are seriously overcrowded. Twenty-eight new classrooms are now under construction.

Since the district is already at the maximum tax rate (45 cents per $100 assessed valuation) for repayment of state loans, taxes cannot be raised on district residents. If the current rate does not raise enough funds to repay local bonds and state loans, the state gets a reduced share back.

The schools which hinge on Tuesday's election are: replacement for old General Pershing, Westlake Basin, M. Pauline Brown, Abraham Lincoln schools 1 and 2, Portola school, two sites and buildings in St. Francis Heights, three classroom additions to Olympia, and the new intermediate school.

Trustees 'Weigh' Six Architects For Linda Mar

High school trustees meet in special session this Friday night to continue interviews of architect candidates for the proposed Linda Mar high school.

Routine business will be discussed in open meeting beginning at 7:30 p.m., followed 15 minutes later by an adjourned session to interview three architects. Three other individuals considered for the Linda Mar job will be interviewed in closed session Monday.

The board expects to select its architect for the fourth high school at the March 24 regular meeting.

Trustees are judging the six architects on a systematic basis. The man chosen will have the consensus high rating of the board.

YOUNG DC DAD IS KILLED IN FREEWAY CRASH

Funeral services were conducted Sunday at Lasswell's for Richard E. Weible, 32, of 131 Wyandotte, killed March 7 in a head-on crash on Bayshore freeway.

Police said the father of three was driving south on the wrong side of the busy highway, sideswiped one auto, then rammed the second vehicle. Accident occurred at 1 a.m.

The victim was a member of the Brotherhood of Railroad and Steamship Union, Local 890.

His survivors are wife, Dorothy; children, Barbara Ann, Richard Jr. and David; his father Cecil Weible, and brother William Weible.

Interment was private.

Broadmoor In Plea To County On Erosion Woes

Community of Broadmoor on Friday made a big stride towards getting help for its slide and erosion problems.

Petitioned by Broadmoor Legion Post 824, the 26th District of the American Legion, covering all of San Mateo county, passed a resolution asking the county supervisors to "immediately investigate Broadmoor's erosion woes and to take whatever action necessary to prevent future erosion problems."

The past several years, Broadmoor property owners have mustered little response from the county on the local neighborhood's costly battle against erosion.

TRAILER, GARAGE CLOBBERED AFTER 2 CARS COLLIDE

A 54-year-old woman motorist, house trailer and a garage were jolted Monday afternoon following a two-car crash that had splintering repercussions.

Police said one auto, driven by unemployed Pola Gallmann, collided with a sports car driven by Albert Briggs, SF school teach[illegible], at the Guttenberg and Bellevue intersection.

Impact forced the woman's car over the curb and against the trailer, house[illegible] in the garage of James Hambleton, 374 Guttenberg. The trailer was rammed through the garage wall.

Both drivers were traveling west on Guttenberg before the crash, according to investigating officers Jim Sunderland and Jack Phillips. No citations were issued pending clarification of conflicting statements.

The woman was released after minor treatment at Alemany emergency hospital.

WILL COUNTY HELP?

Market Street Work Seen 'Priority' Job

Doubtful the county will help share the costs on four major projects here, the city council Monday night moved toward a spending decision on priority street and traffic signal needs.

The projects, for which the city has long sought the county to share via gas tax road funds, are Skyline signals, Market street improvements (front of Colma school), realignment of Edgemar road, and Mission street signals.

Howard Stites, aided by information supplied by Councilman Del Wilson, said the four projects—if the city has to foot the entire bill—would amount to expenditure of $139,000 in current gas tax funds. This would leave the city only $80,000 in this improvement category.

Stites said the county might help on the Skyline signals and Edgemar road, but may not be too willing to aid the long-hindered Market work.

Wilson, urging immediate city action on Market street improvements, reminded that the county's 1958-59 budget

FRANCIS URGES STATE CONSIDER STATE COLLEGE

State Assemblyman Louis Francis today said a full hearing for the need of a state college in San Mateo county will probably be held in May.

Francis, who authorized the bill and resolution for a state college in the county, formally requested that "the hearing be held as soon as possible after the final adjournment of the state legislature in April."

He made his request to Vice President Stanley McCaffrey of the University of California, State Superintendent of Public Instruction Roy E. Simpson, and Chairman Donald D. Doyle of the State Assembly Interim Committee on Education. It was reported today that his requests were granted by the governmental authorities involved.

divider) should be available from the state when the JESD applies for funds to construct the K-6 school housing 450 youngsters. The readjusted Brown plant, covering 12.85 total acres, includes plans for 12 classrooms and two kindergartens. Further classroom additions will be sketched by the architect to allow for enrollment projections.

Purchase of the site will be negotiated with the McKeon firm, Zita corporation, at the appraisal price.

The allocations board last week also gave the JESD a "break" in the Daly City district's attempt to speed plans for the two K-6 sites in St. Francis subdivision and the three elementary schools on Doelger property south of Westmoor High. This came when the state board turned down a request by H. H. Jacqueth, state division of finance, for new studies on JESD site sizes on the McKeon and Doelger lands.

Trustees this Wednesday night will hear progress reports on behind-schedule Vista Mar elementary school in Westlake, and Vista Grande primary, off Thiers and Wyandotte.

Latest word is that circular Vista Mar may not be completed until this June—more than four months behind contract time. Five classrooms are ready at Vista Grande, but incomplete sidewalk access for students hinders occupancy by pupils, according to Weibel.

Trustees, long angry over the delays, could enforce penalty clauses against the contractors. Neither builder has officially asked for extension of contract.

Meanwhile, it is probable that students for Vista Mar and Vista Grande will remain on split sessions through the present semester.

calls for only $100,000 in gas tax funds to be divided among 15 cities for improvements.

Stites, stating that bringing Market street up to par and working out water main settlements with nearby homeowners would cost the city about $68,000, said he would have final estimates by next week's study session.

Nearby property owners will share costs of paving, curbs and sidewalks on Market, Stites pointed out.

David Friedenberg, Westlake resident and council candidate, Monday asked the council to move to delay opening of the Edgemar freeway off Skyline, citing the increased traffic hazards to Palisades adults and children who must cross without traffic signals.

Mayor Joseph Verducci agreed with Friedenberg, but said he doubted much could be done to postpone the freeway opening, the end of this month.

Stites added that he would talk with Pacifica officials on the matter and said he would forward Friedenberg's letter to the state division of highways. The city manager also will resume talks with the Pacifica council, urging that body to keep open its end of old Coast Highway, to be abandoned by the state next month.

Daly City will have to maintain the road for north access to its dump at Mussel Rock and wants Pacifica to keep open and maintain the southern terminus. If the south end is closed off by the Coastsiders, Daly City might have to construct a new road to the dump, due to the slide threats on the current route.

March 3, 1883 Congress appropriated for construction of the first steel warships our Navy ever owned, the cruisers Atlanta, Boston and Chicago, and the despatch boat Dolphin.

FOR COLMA PTA

Cubs, Brownies Present 'Scouts In Action' Show

Parents and teachers attending the monthly meeting of Colma PTA (Jefferson school) recently were given a bird's eye view of the PTA-sponsored Cub Den 4 and Brownie Troop 368.

Topic for the evening, "Scouts in Action," was introduced by Mrs. Robert Adams, vice president, who in turn introduced Mrs. John Guastavino, den mother; and Mrs. Frank Hanly, Brownie Leader.

Ruth Beecher, Peggy Hanly, Judy Hnilo, Rosemarie Martini, Theresa Mercurio, Kristine Mini, Janice Smith, Mary Jane Themoleas and Janis Willey, along with Cubs Peter Leis, Robert Guastavino, Ronald LaRosa, Robert Murray and Steven Willey, demonstrated salutes, handshakes, mottoes, pledges and ended each troop demonstration with songs. Lollipops were thrown into the audience by the Brownies as they finished singing "The Lollipop Song."

Mrs. Frank Hanly stressed, "an active troop is only possible with the 100 per cent cooperation and active help of the parents as well as the children."

"As proof of this, colored movies were shown of the Brownie Troop 368 in action as they prepared their prize winning entry for the Posey Parade held in San Bruno last June. Crafts were displayed by each troop as well as some snapshots of their various activities.

LOCAL MECHANIC HELD WITH GANG FOR SAFE-HAULS

Louis Cascio, 28, giant Daly City mechanic, was arraigned in muni court last week with fellow members of a suspected gang of safe-crackers.

The 6-4, 295-pounder, who allegedly did most of the safe-toting for the five-member gang, is being held with his accomplices under $2000 bail.

South San Francisco police have charged the four men and one woman with some 15 haul-away burglaries and a net of $6000.

Cascio listed his address as 848 Glasgow drive here, police informed.

cents collected. If the $1.15 Daly City rate is authorized, the city will continue to get 10 cents, the garbage firm $1.05.

"Costs of opening the fill-and-cover site at Mussel Rock have been prohibitive," stated Sereni.

He specified the $58,000 loan needed for purchase of the 80-acre dump site on a 10-year basis, expense of grading roadways for access, the purchase of more adequate heavy equipment, and transportation increases.

"We're really in the hole, and must raise our rates to survive," Sereni concluded.

Under the contract with the city, which expires in 1959, then is renewed to complete a 20-year period, the scavengers will donate 45 acres back to the city—free of charge.

Their appeal for rate hikes now is designated to cover the contract to 1959.

Sereni's operation includes 16 full-time workers, six of them his partners. His regular help are paid at a "much lower scale" than in surrounding cities, he reminded.

The DC company three yeras ago operated on the Zanone land, then joined in the South San Francisco open burning site, leaving there last October for Mussel Rock's economical fill-and-cover project.

City Attorney Paul Hupf advised Sereni and Reisch to have monthly, quarterly and yearly expense projections ready by next week's meeting. The council should take official action on March 24.

Councilman Micheal DeBernardi missed the scavenger presentation Monday night. He phoned that he was sick.

Young Pair Rob Service Station

Two youthful robbers got $45 in sticking up the attendant at Westlake Standard Service Station about 12:05 a.m. Tuesday.

Rodney Gatto, 23, said the "nervous" pair, ages 21 or 22, drove up in a '46-'48 sedan just as he was closing. They shoved a "simulated" gun into his back, then forced the attendant to walk down the hill to Westlake park.

The money was removed from the outdoor cash box, police said.

What's true in the Van Derens' Marysville home, applies everywhere in P. G. and E.'s service area. With gas and electricity cheaper than 1936 levels, your family can afford to use more . . . for better heating and lighting, and to run those wonderful new modern living appliances.

To be considered in zone competition on April 24 in Redwood City are (left to right): Cecile Champagne, liberal arts; Delores Lara, vocational arts; Gladys Grassini, math and science, and Delia Patron, fine arts. Each has advanced for "demonstrated excellence" in a major field of study.

EDITORIAL

'YES' FOR SCHOOLS A 'MUST'

"Yes" votes are a "must" next Tuesday when parents and other citizens are asked to respond heavily at the polls in Jefferson Elementary school district's most critical bond and state aid election.

Two-third majority approval is needed on both ballot issues: 1) Authority to sell $1,300,000 in local bonds, and 2) Authorization to ask the state for a $7 million loan.

All the facts are on the line favoring successful passage. If the issues fail, the consequences to present students and those who will populate the district by 1962, will be staggering. Action next Tuesday will help to eliminate double-session education and prevent the extension of this dilemna to triple-session disaster.

Enrollment now in our elementary district numbers 5850 youngsters. By 1962 the figures will be doubled.

Facilities must be mapped and acquired now to accomodate the new crop and adequately meet on-paper projections.

Failure at the precincts Tuesday will bring an abrupt halt to current school construction here, and will not reduce taxes.

Your "yes" votes on both issues will not result in more taxes, according to the JESD Citizens Committee for Needed Schools. Approval on the bonds and state loan will allow the district to finalize planning on eight new elementary schools, an addition to Olympia in Westlake, and a new seventh-eighth grade school—all needed within the next four years.

At the time when American education has been placed under the international microscope in the struggle for world supremacy to survive, it behooves the people to back their leaders, local and national, in improving classroom standards.

And in order to improve our standards, we must have adequate classrooms to give our youth maximum room and opportunity for advancement.

"Yes" next Tuesday in Daly City is more than a local problem. Our collective strength as a nation is only as good as our educational system — physical and moral—for our children.

CAR TOP AWARD

Westlake's Annual Drawing Friday To Offer $2500 In Deluxe Prizes

In commemoration of Westlake's Anniversary event, a major drawing, in which $2500 in prizes will be given away, is being held this Friday night at 9:15 o'clock. The drawing will take place in Westlake Shopping Court. In anticipation of the crowds which will attend, new public address systems are being installed.

Judges for the event will include Councilman Micheal DeBernardi and Les Ritchie, president of the Westlake Business and Professional association.

First award of the $2500 in prizes is a 1958 Chevrolet sedan, purchased from Gateway Chevrolet in Daly City. The award will be followed by two cash awards, $20 a month for one year (a total value of $240.00), and $10 a month for one year. Additionally there will be two other prizes: a lady's Gruen wrist watch and a gentleman's Gruen wrist watch. Tickets for the drawing are being given away free at all stores in Westlake Shopping Center. All persons are eligible to participate in the drawing with the exception of employees of Westlake Shopping Center and persons under 18 years of age.

The drawing which will be held this Friday night is the first large Westlake drawing to be held this year. It commemorates the opening of the last group of stores on the Shopping Court, which were finished in March, 1956.

Winners must be present at the time of the drawing in order to participate.

Mrs. Jack Hurt Heads 'Crusade'

Mrs. Jack Alexander Hurt has been appointed as chairman of the residential division of the United Crusade, according to an announcement made today by Mrs. Ralph Shermund, county-wide chairman of this particular division of the Crusade.

MRS. JACK HURT
. . . appointment

Mrs. Hurt and her committee will be responsible for the solicitation of all residences in the Daly City-Colma area during the 1958 fall drive for funds.

A resident of San Mateo county for two and a half years, Mrs. Hurt is historian for the Westlake-Olympia PTA and serves as a neighborhood chairman for the Westlake Girl Scouts.

Of united giving, Mrs. Hurt has this to say. "Giving through the United Crusade is the American way. The more we can help ourselves, the less our government must do for us."

Mr. and Mrs. Hurt and their nine-year-old daughter, Susan, make their home at 71 Fairmont drive, Westlake.

SET APRIL 6 SHOW

Girls Scouts Observe Busy 'Birthday' Week

By Servart Ojakian

Uniform - attired Brownies and Girl Scouts attended churches in their communities to begin celebrating the founding of Girl Scout day, this Wednesday.

Each day of the week has been set aside for a different task. Sunday is for reverance of God; Monday, for homemaking; Tuesday, citizenship; Wednesday, health and safety; Thursday, international friendship; Friday, arts and crafts; and Saturday, out-of-doors.

The Girl Scouts are making major contributions in our society by working toward the development of a fine moral character, and in the strengthening of love and service for one another.

"You Can Count On Her"—in the Daly City-Colma Area, as well as all the way across the country—to be of utmost service to her community.

"A Girl Scout is a friend to all and a sister to every other Girl Scout." To honor the name of Juliette Low, the founder of Scouting in America, a Juliette Low World Friendship Fund was set up in her name and the money used for the purpose of bringing about international friendship.

Our Chalet in the Alps of Switzerland, is the international center of the World Association of Girl Guides and Girl Scouts. Girls from the United States and eight other countries attend Juliette Low Sessions for three weeks each summer. By becoming a Girl Scout, and then a Senior Scout, girls in America have the opportunity to be chosen to travel to other countries and learn about other people. Understanding one another is an asset in creating peace and good will among men. This is one dedicated task of Girl Scouting and it can lead to some very exciting adventures.

The Girl Scouts in our area here are strengthening their ties with their community by planning and performing on Saturday, April 26, a Scouts-in-Action program at the Daly City War Memorial building. It will be admission free and everyone is invited.

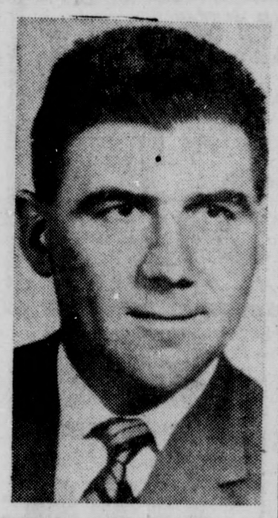
TEMPLE METHODIST TO LAUNCH DRIVE FOR NEW SCHOOL UNIT

Using as their slogan "Together We Build," members and friends of Temple Methodist church, Junipero Serra boulevard and 19th avenue, have banded together to launch their expansion campaign for a new educational unit. On Monday evening, March 17, there will be a "kick-off dinner" at 6:30 p.m., for all members of the campaign executive committee and canvassers.



DR. SAWYER
. . . chairman

Due to rapid growth of the church school since Temple Methodist opened its doors at its present site three years ago, the school is now overcrowded and on double sessions, making a new educational unit a must. Plans for the new addition, which are the second step in a long-range master plan, call for a two-story building, consisting of 11 classrooms, a parlor, and a large social-recreational area.

General chairman of the campaign is Dr. Harry W. Sawyer. Members of the campaign executive committee are: Messrs. and Mesdames: E. Botsford, W. B. Brown, Allen Carter, John Countryman, Herman Dauberman, Lester Day, Rolf Gadebusch, Donald Kuehl, Richard Lancaster, John Ross, Miss Stella Skinner, Dr. and Mrs. George Steninger, Messrs. and Mesdames Ernest Stone, Maurice Sumner, Miss Helen Van Horn, the Reverend and Mrs. Lawrence K. Whitfield, and the Reverend and Mrs. Thomas W. Hicks. Division leaders in charge of four teams each, are: Mr. and Mrs. Vern Byram, Miss Helen Van Horn and Mr. Lester Day, Messrs. and Mesdames Rolf Gadebusch, and Richard Lancaster.

The campaign will run from March 17 to 30, closing with a "Victory Tea" on Sunday, March 30, at 4:14 p.m. It is the hope of the executive committee that a minimum of $150,000 will be pledged or given.

SCIENCE ASSEMBLY

Jeff Elementary Kids Know Their Weather

Third in the series of science assemblies was presented by Mrs. Ledwith's third grade class at Jefferson school. The topic was "The Weather and You."

Linda Moresco welcomed the audience and announced the following numbers: "What Makes Weather?" "What Causes Change in Weather?", "Winds, Clouds, and Precipitation," "Weather and the Weatherman," "You Can Be A Weatherman."

These topics were discussed by Edward McLean, Steven Willey, Andrew Rovegno, Scott Ghilarducci, Renee LeBoeuf. A colored film, "What Makes Weather," was shown. Captions were read by Andrew Rovegno. An important part of the program was an exhibit featuring a weather vane, thermometer, barometer, anomometer, United States weather map, and a weather map made by the International Airport Weather Station. Large and colorful clouds, cirrius, stratus and nimbus clouds and a diagram showed what causes rain.

The audience included students and faculty of Jefferson school as well as teachers and administrators of other schools and the parents of the children who participated in the program.

COLMA AUTHOR INKS ANOTHER WILD WEST BOOK

Samuel A. Peeples of 542 C street, Colma, writing under the pen name of Brad Ward, this week marks the publication of his new western, "Frontier Street," by Macmillan.

The writer is a member of Western Writers of America and the author of 17 books, written under his own name and that of Brad Ward. His "The Marshal of Medicine Bend" was made into a movie starring Randolph Scott.

"Frontier Street" is his third book to be published by Macmillan. Locale of story is the West itself, for Frontier street may be Texas street in Abilene. San Antonio street in El Paso, Front street in Dodge City. Saloons and gambling houses line it, and one kind of man is peculiar to it—the man with a silver star.

Letters To The Editor

Folk-Dance Leader Lauds Publicity

Dear Editor:

Thanks very much indeed for the publicity you gave the Monday night folk dance class for beginners at the War Memorial community center.

About three-fourths of those who registered are from this immediate area and mentioned reading about the class in your newspaper. Your announcements were complete as to information; the response immediate.

The class is filled to capacity and full of enthusiasm. Again, thank you for your part in the success of this program.

Sincerely,
Elsie Maclaren

Reader Praises Sales Tax Move: 'City Needs $'

Dear Editor:

Will you please print a letter that opposes your editorial views? If so, here's one.

I am writing this letter to compliment all parties interested and responsible for passage of the sales tax.

It is about time some action was taken to obtain more funds for the city treasury. We need any extra income we can get. We need these funds for recreational and hospital facilities, just to name a few.

The homeowner is surely not hurt by a little extra tax. It seems to me an easy "pay as you go" plan. Even people not living but buying here also help us obtain some of our needs by paying this tax. It gives us needed funds now.

Then let's assure proper usage by adequate legislation. Therefore, let's take a good look at our candidates for councilmen who will be instrumental in supporting this tax and in securing this vital legislation.

Respectfully,
R. Cuniberti
130 Westdale avenue

COURTESY

Courtesy on the highway goes a long way toward reducing accidents, says the California State Automobile Association. One way you can practice courtesy is to be the first to dim your headlights when you approach another vehicle at night. Also, remember to dim your lights when you are following another car.

Council Termed 'Shortsighted' On Freeways

Dear Mr. Bradshaw:

We here in Daly City seem to me to have a very serious problem.

We have two state-proposed freeways going through Daly City—one going north and south along Junipero Serra, called Alternate B, and the second through Westlake from east to west, called Alternate A.

There has been much publicity about the one through Westlake, but very little, if anything, about the one along Junipero Serra.

The State Highway department is going to have one or the other of the two proposed routes. What no one seems to realize is that we have a choice of one or the other.

Our city fathers have come out against all freeways. To me this is shortsighted, as anyone who gets in touch with the highway division can verify. But then, it is election time here and councilmen are being very careful not to step on anyone's toes.

I am afraid that they will persist in this shortsighted stand until we have first one and then the other freeway cutting our city into small sections.

Sincerely,
Kathleen M. Mathews
141 Glenwood avenue

HONORED — Pfc. Richard Quintana, son of Mrs. Marie Quintana, 215 Miriam street, recently was selected "Soldier of the Month" for the 508th Military Police Battalion in Munich, Germany. A military policeman in the battalion's Company C, Quintana was selected for his soldierly appearance, knowledge of duties and military courtesy. The 24-year-old soldier arrived in Europe in April last year. Quintana is a 1950 graduate of Mission High and was employed by the American Can company in civilian life.

DAILY MILEAGE

The average American car owner drives about 25 miles per day, reports the California State Automobile Association.

The Town Record

By Roy Hurlbert

Council candidates are unloading verbal fusillades all over the place—with only a month to go in the handshaking department.

Folks expect this usual verbosity and must attempt to separate the oratorical wheat from the chaff.

Biggest laugh thus far is on one hopeful who inked his signature to nomination papers of two other candidates.

Wonder if he knows he'll have to whip his endorsements at the polls?

We've known hard workers in our time, but none so devoted as Mrs. J. D. WHITE, housewife-chairman of the JESD school bond-state loan committee. Despite the distraction caused by the trustee-superintendent rift, Mrs. White has selflessly carried on the campaign for "yes" votes next Tuesday.

It seems to us that our children deserve the priority—now as always.

Mrs. White, of 689 Templeton, and her committee, will get little thanks. And there's no kind of pay that would compensate them as much as a successful ballot day.

The sincere lady knows how vital are adequate and better school facilities. She has three boys, ages 7, 8 and 9, who attend old General Pershing.

It's the worst excuse for a school plant we've seen.

Don't stay home next Tuesday.

SF city fathers have cracked down on cops who live outside the territorial limits of George Christopher's big town. The Senate runner thinks his gendarmes should live in their own backyards, so to speak.

Here's a twist, for you DC police officer, AL NICOLINI, on the job not quite two years, was married last month to his DC sweetheart, HELENE CAVA, former rec department secretary.

The nuptials were held at San Francisco city hall with Judge Molinari doing the honors.

Goes to show our cops do live here. But sites for matrimony are unrestricted.

Sympathies to MRS. KAY IRVINE, director of KIP workshop, who is temporarily sidelined due to a slipped neck disc, sustained in a recent jitney accident.

Her pain is so intense that doctors won't let her continue the long-hour efforts for Daly City children.

She'll be back. Meanwhile, don't let KIP down. More adult volunteers can help the program. Just call: Mrs. Audrey Sallade, JU 5-4301; Mrs. Ann Johnson, PL 5-1172, or Mrs. Martha Garbe, PL 5-0133.

Versatile JOE LEWKOWITZ, gas station man, school trustee and council-minded, has added another responsibility. He'll chairman the '58 Daly City cancer crusade.

Hadacol must work wonders. Where does the guy get the time and energy?

Pfc. Doug Jones In 4th Infantry 'Pentomic' Training

FORT LEWIS, Wash., Pfc. Douglas L. Jones, son of Mrs. I. Mesqite, 363 Santa Barbara avenue, Daly City, has become one of the nation's first soldiers to take part in field exercises testing the Army's new "pentomic" battle concept.

The pentomic tactical plan features streamlined units with great mobility and firepower able to meet the needs of Atomic and Missile Age warfare.

Pfc. Jones is serving as a rifleman in Company B of the 4th Infantry Division's Battle Group, 12th Infantry.

KIP Kids Wow Servicemen In 2 Performances

KIP workshop youngsters of Daly City received "wild ovations" at recent performances for the men at Angel Island NIKE station and Ft. Funston.

The two shows, according to Director Kay Irvine, concluded KIP's public performances until around the first of April. The organization now is concentrating on intensive class sessions. These consist of story-telling (to train teenagers for playgrounds), self improvement, speech, behavior, etiquette, photography, drama, creative dancing, creative writing, singing, citizenship and leadership.

New enrollments are encouraged, and Mrs. Irvine also needs more adult volunteers for secretarial work and teachers for classes.

Member Gail Vaurs was awarded $5 for selling the most tickets for the recent KIP-PAL show at community center.

Other new developments include election of Mrs. Leota Swager of Brentwood to the KIP executive board.

The new KIP photography unit is led by supervisor Wayne Cardellini.

Drama and public speaking classes meet at Mrs. Irvine's home on the second and third Saturdays of each month.

Parish Women Offer 'Next To New' Bargains

The thrifty shopper will find bargains galore at the Holy Angels Women's Guild "Next to New" sale this weekend at the parish hall on San Pedro road in Colma.

According to co-chairmen Mrs. James Ryan and Mrs. Rex Golobic, an "excellent variety of nearly new articles will be on sale," along with a wide selection of new merchandise which has been donated by downtown department stores and local merchants. Of particular interest to mothers will be the abundant supply of children's clothing.

The sale will be held Saturday from 9 a.m. to 9 p.m. and continue on Sunday during the same hours.

Fete Librarian In 'Civic Style'

Under the auspices of Friends of the Library, a large group gathered recently at the Henry Doelger Clubhouse to greet Samuel Chandler, newly appointed Daly City librarian, and Mrs. Chandler.

A much admired feature of the reception was the floral display arranged by the president of the Daly City Garden club, Mrs. C. M. Yohn, who, with Mr. Yohn, was present to receive the congratulations and thanks of the host group.

Among the many civic leaders who attended the reception were Dr. and Mrs. Lionel Farber, Mr. and Mrs. Robert Woods, Superintendent and Mrs. D. Morgan, Mrs. Sanford Vickers, Mr. and Mrs. Del Wilson, Mr. and Mrs. Micheal De Bernardi, Edward Murphy, Loren Cheda, David Friedenberg, Mrs. Frank Kelechava, Mr. and Mrs. Rudolph Richter, Mr. and Mrs. Henry Bosberry, and Mr. and Mrs. Edward Cavagnaro.

SCOUTS, LEADERS EYE SAN BRUNO OUTDOOR PROJECT

Outdoor skill training for Boy Scout and Explorer leaders of the San Mateo County Council, Boy Scouts of America, will be presented by the council leadership training committee in San Bruno city park, on Crystal Springs road, beginning at 5 p.m. Friday, March 14.

Subjects for the Scout leaders will include fire building and cooking, campfire programs, usage of knife, axe and compass, preliminary planning and preparation for camping and hiking, and first aid and trail sanitation.

In addition to more advanced outdoor skills, the Explorer leaders will learn how to conduct field sports demonstrations and to plan advanced Explorer camps and expeditions.

Participation certificates will be presented to Explorer leaders at their closing session, Saturday at 5 p.m., and to Scout leaders, Saturday at 10 p.m.

Garden Villagers Have Puppet Show

Mrs. Joyce Tubbs and her fourth grade class at Garden Village school entertained parents with a puppet show recently.

The children made puppets as an art activity and utilized them to further their abilities in the language arts. The puppets were in beautiful costumes depicting fairy-tale characters, and short presentations were done on selected fairy-tales.

First Western Boosts Bennett

First Western Bank and Trust Company has appointed Frederic S. Bennett assistant manager of the statewide bank's Niles office, according to Ralph E. Charmichael, manager.

Formerly assistant cashier at the bank's Westlake office, Bennett, who joined First Western in September, 1951, is a graduate of the American Institute of Banking and attended San Jose State College. Active in civic affairs, he is president of the Lake Merced Optimist club, secretary and director of the Westlake Merchants association, and is former secretary and state director of the Daly City Junior Chamber of Commerce. Bennett lives at 80 Forest Grove drive, with his wife and two children.

Troop, Pack 63 Share Dinner-Business Meet

Scouts and Cubs of Troop 63 and Pack 63 gathered at the Westmoor High school February 22 for a wonderful program. With parents present total attendance was approximately 240 for the dinner meeting.

Mrs. Pat Taylor and Mrs. Gilberta Quandt organized and directed dinner preparations for the Cubs and Scouts.

Following dinner, Richard Merritt, Assistant Scoutmaster of Troop 63, opened the meeting and introduced the new Scoutmaster, James Sells.

Herbert Quandt, troop chairman, outlined the Troop program for the next quarter.

A special Court of Honor was directed by Scoutmaster Sells, at which time Scouts Richard Merritt Jr., Jimmy Chase, Tommy Chase, Mark Clark, Jim Sells Jr. and John Quandt were awarded first class emblems. In an imposing candlelight service, mothers of each Scout received a Scout pin, which was pinned on by their sons.

Special entertainment included magical performances by Jimmy Sells and Ted Gordon. Additional features included a violin duet and a sextet choral group.

A highlight of the evening was the first annual midget derby. Some close races were witnessed, with the ultimate winner being Grant Merritt.

Both Troop 63 and Pack 63 formerly were designated as Troop and Pack 240. The new numbers became official at this event.

Scouting and Cubbing have a real place in the life of Westlake and parents interested in serving or who have boys ready for this great character building organization should contact Sels, Merritt or Quandt.

OLPH Sets 'Greatest' St. Patrick's Program

All is in readiness for the great St. Patrick's day celebration to be held in the auditorium of Our Lady of Perpetual Help School—this Saturday.

Festivities will start with a corned beef and cabbage dinner, served from 5 to 8 p.m., followed by entertainment and dancing.

Chairman Tony Parmisano announced the appointment of Tony Ricci, Edward Dennis and Sanford Vickers to act as escorts for the Irish Counsul, the Honorable Kevin Rush.

Gen. Pershing Students Show Skill With Art

A glance at classrooms in General Pershing School reveals many interesting and attractive art displays. Students have been given the opportunity to work with different media and to integrate their art work with their other subjects, making it more meaningful to them.

Mrs. Una Stubbs' class has been constructing a display of the solor system. They are working with laminated paper and paper mache.

Mrs. Sheila Grey, Miss Inez Strauch, and Miss Mary O'Rourke have taken advantage of the windy season by having their classes do art work centered around the theme of the traditional kite.

Mrs. Mildred Griswold's and Mrs. June Koenig's classes have been doing figure work using the media of tempera paint.

Mrs. Dorothy Malone's and Mrs. Gladys Benofsky's classes have displayed some attractive clay animal figurines which have been shaped, baked in the kiln, and painted.

Miss Margie Russo's and Miss DeVara William's classes have made colorful flowers and designs using the media of chalk.

Miss Olga Kowall's class and Miss Wilma Houses' classrooms give evidence of the approaching Easter season in their busy preparations. Miss Kowall's class is constructing large paper mache bunnies, and Miss House's class will display attractive Easter egg cut-outs.

For Your City Council Vote April 8 To Represent You Elect

Robert 'Bob' St. Clair
76 Ocean Grove

Dear Citizens:

Our platform is not vague with promises, but a policy for positive action. We urge you to fully inspect our objectives of effecting long-overdue changes at city hall. We are ready to replace the free-spending, bickering and hesitant regime with practical thinking, attention to immediate community needs, and foremost, returning the "decisions" to the people.

Our candidacy is based on these principles:

A. Current city management has failed to sustain the confidence of residents of Daly City. Moreover, it has overlooked majority public opinion and has acted as if "independent" of the citizens of this growing, but too-long-stymied community.

A house divided against itself cannot stand. This has been the city hall status quo, roadblocking municipal progress the past two years. The city manager-majority, whose crowning act was overruling everyone on sales tax, should be held to answer. The balloting next month is the first step towards altering the powers-that-be.

Needed harmony among councilmen is one factor. Being sensitive to civic wants and public pulse is another. Both are essential to progress. But neither has been practiced by the present administration.

B. A practical approach to spending taxpayers money to meet civic needs must take the place of padding the executive ranks of city management. Indecision on putting your dollars where they will serve the majority good typifies current council lethargy. Master planning for a new civic center and an adequate main library site has been hindered by the penny-wise, dollar-foolish politiking of both factions on the council.

C. We believe in referendum decision by voters on all matters of major expenditure for needed improvements. The majority desires of the people at large—and not just five men—should prevail.

D. The council split-decision for sales tax must be reversed. From the start, we have fought this "expedient" move, and we want the levy decision placed before voters. From response to date, only a limited minority are for the tax. We appreciate the avenue to immediate funds a sales tax can provide. But we know that a majority of our citizens do not want it here. At least all our people should be entitled to decide.

E. Freeways ruin property values and business, and mean safety hazards—no matter which section of a city they devastate. The proposed state route through Westlake is our main target. We are applying utmost support—immediately—to the city-wide protest against this destructive "Skyway." As for the "inevitability" of a north-south Junipero Serra freeway, we know that protests to the right people bring results.

E. Street repairs and water system improvements have been overlooked at city hall. Both must be given swift consideration. We cannot afford costly delays, so evident in the council's handling of the Palisades reservoir. The 1,600,000 million gallon tank sits idle, replaced by a small and insufficient wooden tank. Hardly a healthy situation.

F. Purchasing and personnel hiring by the city should give priority to local residents. Outsiders lend nothing to civic progress and have no primary concern in our problems and expanding needs. We must encourage individuals and firms for their value to the city structure.

G. Emphasis in city personnel should be placed where it belongs. We would eliminate the extra "departmental superintendents" and bring both police and fire departments to proper stafffing with men and efficient equipment. Additionally, both police and fire commissions must be restored to assist these key departments.

H. Needed facilities and improvements can be secured through careful planning on a timetable, ability-to-afford basis. The city needs more recreation facilities and adequate sites. Firm policies towards subdividers and cooperation with local and county agencies must be strengthened.

We request and invite complete examination of our policies, and those of the other candidates for office. The facts are the best guides at the polls.

Both by experience and enthusiasm for our city, we believe we qualify to represent you—not just at election time, but throughout the term of public office.

Help us to "stop the waste in your government."

Sincerely,
EDWARD J. DENNIS
ROBERT ST. CLAIR

TWO-WAY STAR

Ryan Humbles Poly, 5-3

Gary Ryan's 4 hits and 6-hit pitching gave Jefferson High's unbeaten varsity baseball team a 5-3 win over Poly of SF at Big Rec diamond Monday afternoon.

The Tribe took their third exhibition victory with a 16-hit assault on two hurlers.

Joining Ryan as big stickers were third sacker Bud Callahan, with two doubles and a single, and outfielders Barrie Haanen and Jim Wilson, two hits apiece.

Steve Mezerra's squad, defending North Peninsula champs, are rated even with the forthcoming Peninsula League race.

Senior Paul Tapia, Jeff's top flinger, stopped Balboa on 3 hits last Wednesday in notching a tight 4-3 triumph. The footbal whiz fanned 9 over 7 innings. The Indians got only 4 hits but made them effective. One biggiewas Gene Firth's 3-run homer in the second. First baseman Roy Reitz' triple rammed home Ryan with the clinching run.

Earlier last week, Jeff southpaw Jim Wilson blanked potent Mission of SF on 2 hits, 14-0.

Mezzera's probable starting lineup for the PL campaign, opening a week from Friday, will consist of an infield of Reitz, 1b; Ino Patron, 2b; Callahan, 3b; Bob Strassburger, ss, and in the outfield, veterans Ryan in center and Haanen in left, with Firth and Wilson alternating in rightfield.

The cool boss' flinging corps is headed by Tapia and Wilson backed by Ryan, Haanen and promising junior Walt Carlson.

Mezzera dropped Bob Berry, senior infielder, from the club Friday for "disciplinary reasons." Against Mission last week, Berry clouted a long homer.

Tribe Loses, 3-2

Carlmont ended Jeff High's varsity baseball win streak Tuesday here by nipping the Indians, 3-2. Bud Callahan, the Tribe third baseman, socked a triple, longest blow of the game.

ART LINHARES IS RUNNER-UP IN SF TOURNEY

Art Linhares, Daly City's golfing cop, was defeated in the finals of the San Francisco tourney last weekend by SF policeman Bill McCool. The latter prevailed, 1-up.

It was another hard-luck effort by popular Art, who lives at 60 Shakespeare. It was his "umpteenth" close finish in the annual affair.

Back in 1953, Linhares lost in the finals to Westlaker Ken Venturi, now the hottest pro in the nation.

At press time, Venutri was tied with fellow Californian Billy Casper in the $20,000 New Orleans Open.

Pack 248 Wins Opener, 33-6

Westlake's Pack 248-A softball squad registered a 33-6 win over Pack 61 last Saturday in West Of Twin Peaks League opener.

Colangelo and Martin Jaspovice slammed homers. Lowry, with 6 hits in 7 at-bats, and shortstop Skipper Smith, with 5 for 6, were the main stickers.

Getting three hits for Pack 248 were Bob Green, Mike Brush, Bob Ritchie and Philip Reade. First sacker Ross Davis got 2 for 3. Tops defensively were Charles Pengra and Bob Beukers.

Alumni Quints Defeat Jeff Student Cagers

A crowd of 500 watched the star-laden alumni cagers defeat Jeff High's varsity and lightweight fives Friday night in Mike Orlich's season-ending traditionals.

Larry Pottinger, now with College of San Mateo, bucketed 30 points as the alumni downed the varsity, 76-62. Sonny Richmond's 10 points paced the oldsters to a 49-37 win over the Indian 30's.

In both games, the graduated gents exploded in the final quarter. Halftime scores were knotted, 34-all in the varsity tangle, 20-20 with the lightweights.

Mike Dotterwich had 15 points for the alumni varsity. Steady Gary Ryan led the students with 22, followed by big Dennis Marc and Bob Berry, each with 13.

Busy Week By Troop 65 Has 'Foreign' Flavor

Girl Scout Troop 65 and their leader, Mrs. Sanford F. Schoenfeld, were guests of Mrs. Edward Medzian at her home in Hillsborough last week. In celebration of "International Friendship Month," an Armenian dinner, which was greatly enjoyed, was served. Some of the dishes included grape leaves rolled up with meat and rice, and an unusual cheese pastry. Mrs. Medzian's daughter, Barbara, was a former member of Troop 65. Mrs. Wilson Schutte assisted in the transportation of the girls to Hillsborough.

Last week at their regular meeting in the home of Mrs. Schoenfeld, one of the mothers, Mrs. Robert Neumann, who comes from Australia, gave a talk on Australia Girl Guides, similar to our Girl Scouts. Her daughter, Susan, gave a report on Australia, which earned her a World Pin.

THREE STRAIGHT

Rams Rip Lowell, 10-4

Westmoor High's varsity baseballers pounded out a 10-4 win over Lowell High here Monday, giving Coach Rod Losberger's Daly City preps their third consecutive win and a 3-2 record in practice tilts.

Southpaw Bill Fosbery and reliefer Bob Goodwin checked the San Francisco club on 6 well-scattered hits. The Rams smashed 10 hits, 3 of them by outfielder Rich Hottal who has driven in 7 runs in the last two games. Shortstop Sid Swanson slashed two singles against Lowell.

Dave Simons stopped invading Half Moon Bay Friday when the Rams rolled up a 11-1 decision. Hottal's heavy sticking was supplemented by two hits each off the bats of catcher Tom McHugh and outfielder Ray West. The Rams' big inning was a 6-run sixth.

Soph Goodwin's 2-hitter last Wednesday whitewashed Lowell at Big Rec by a 2-0 count. Westmoor tallied twice in the fourth via walks and base thievery.

Before spurting for a win streak, the Rams had lost to Galileo and Serra.

Opposition this week comes from Galileo, here Wednesday; San Leandro, there on Thursday, and Lincoln, West Sunset this Friday.

Next Tuesday, Losberger's hustlers entertain Serra, then conclude practice action the following day by hosting Riordan.

Hillsdale invades the Westlake campus a week from this Friday in the Peninsula League opener.

Losberger's infield finds Bill Dougherty at first, Jim Heick at second, Swanson at short, and Ross Holmgren at third base. Hottal, Bill Reynolds and West roam the outfield. Behind the plate is durable McHugh. West and Swanson are seniors and Holmgren is a junior. The others are sophomores.

Westmoor pitching is shared by West, Simons, Goodwin, Fosberry and Phil Fair. The latter is recovering from torn arm ligaments.
